## Texting List for all teams

The main form of communication to all parents of underage is our texting service. Up to now we have been sending out generic texts to all listed informing you of the upcoming rugby on Saturday. The text lists have now been re-organised into the proper teams and those who have not registered with the club this year have been taken off the texting list. We would ask all players to register so that they can continue to get texts. Registration can be taken any Saturday morning at the clubhouse. The information in the text service will always take priority over the information in the newsletter if there is a change in details. If you are not on the text service or getting the wrong text, please inform us at the shop or by phone to 086 8180476.

# Traffic Management in Bandon RFC on Saturday Mornings

Please help us by not parking in the upper tarmac area and also keep a two way system free for exiting and entering the club.

Please follow the traffic wardens directions. Please use the drop off area to drop your children safely and then proceed to park as directed.
