## Rugby for Dummies?

*Don't know what a ruck is? Why did the ref give a penalty? What's the offside rule?...*

Don't Worry .....Rugby is a complicated game..... The basic rules of rugby will be explained by our ex-president Ricky O'Sullivan in the clubhouse on a Saturday morning in the next few weeks. Ideal for parents who don't have a single clue about the rules and regulations but want to know why the ref blows his whistle so much. Drop into the shop and give your name and number (in confidence!) and we will organise a Q & A session in the next few weeks on a Saturday morning

## Leisurewear for Bandon RFC from Azzurri®

Bandon RFC are pleased to announce that AZZURRI will continue to supply us with new leisurewear this coming season. New items will be available to order every Saturday morning where we will have a range of items on display. Choose from ¼ Zip Tops, Skinny Pants, Polo shirts, Training shorts, Hats and Training Tops and more...

## New Wrist bands in Stock - €3 Junior and Adult Sizes

As part of the fundraising effort being undertaken in the Club Shop to assist in purchasing a Defibrillator for the Club there will be #BeBlueBeBandon wristbands on sale @ €3 each in the shop from next Saturday morning.

**ALL proceeds from sales go towards this fundraiser.**

*Kids & Adults sizes available.*

## **Purchase of rugby boots and Gum shields**

If you intend to purchase new rugby boots for the coming season, we would ask that you check the type of studs on the boots. Unfortunately, sometimes we see slice / cut injuries to other players from boots that have blades so we are asking that you do not purchase these types of boots. Please consider the traditional metal round stud (not plastic) as the boot / stud of choice shown below. There are a selection of rugby boots in the shop for purchase at €10 a pair.

We recommend the use of a mouth guard at all times for training and matches. Mouth guards can be custom made through your dentist or specialist companies or you can purchase a mouth guard in a local sports shop. We also offer mouth guards for sale in the club shop.

## Defibrillator Fund Raising Coffee Morning - €490 raised so far

This Saturday will see another big push by the club to raise additional funds for a club defibrillator. A cake and coffee sale will take place at the shop with an extra few Euro added to each cup of Tea / Coffee sold to go towards the fund. Donations of cakes / buns very welcome!

## Astro Pitch Update

Last Wednesday, Contractors have moved in on site to complete the process of removing the old Astroturf and replacing it with a new state of the art new surface and fencing. These works will be ongoing up to Christmas. We would ask all members, players and visitors to stay away from the area and not to enter beyond the cordoned off area. We have instructed the contractors not to operate on Saturdays so to avoid clashing with our Saturday morning activities. This is Stage 3 of our club development plan along with the completed drainage and floodlights on pitch 2.

Regarding Pitch 2 it is envisaged that rugby activity will hopefully take place on the new pitch after Christmas, weather and pitch conditions permitting. We would like to thank all the people who are involved in the various functions of the club development plan from fundraising to implementation and overseeing the works.
